Lets Party!

Be part of a growing tradition:

The season-finale party of the Supercar Challenge powered by Pirelli.

On Friday, December the 12th of 2014 we will celebrate the champions of 2014, discuss the plans of 2015 and present the yearbook 2014.

This season was again a wonderful season for the SC with a lot of spectacular races, new teams and drivers and of course a grand final in Assen. This success comes down to the drivers, team members and of course all sponsors that have taken care of all the necessary financial banking

As organizer of the Supercar Challenge powered by Pirelli we want to thank all the above mentioned by throwing a grand party. Free entry is arranged for each driver plus partner. The names will be registered by the desk at 'Het Kerkplein' in Breda.

Besides the drivers all other team members, sponsors and fans are very welcome to join in the festivities. Entry is €15,00 a person and you have to pay at the door, only cash payment is possible.

Since we need to take the catering in account, please send an e-mail to renata@supercarchallenge.nl before November 27th, with your name and with how many people you want to join.

The party will be held in discotheque 'Het Kerkplein', address: Torenstraat 17-19 in Breda. You are welcome on Friday, December 12th from 19.00 hour till 24.00 hour. We will arrange a buffet till 21.00 hour and drinks are on our account till 24.00 hour.

After 24.00 hour, discotheque 'Het Kerkplein' will open their doors for the general public. If you want you can party on, but then the drinks are on your own account.

We hope that we can close the season 2014 together with a homage to all the champions and look forward to season 2015!
